ANZAC Commemoration

Our College was involved in many ceremonies this year, commemorating ANZAC Day. Our student leaders represented our College at the 17th Students' ANZAC Commemoration Ceremony in Brisbane on Tuesday 23 April. Around 3000 students from schools in and around Brisbane attended this ceremony.

On Wednesday 24 April our College hosted our own

ceremony with special guests including Mr Wayne Swan, Deputy Prime Minister, Treasurer and Federal Member for Lilley, Mr Bruce Meiklejohn, President of the Banyo RSL Sub-Branch and members from local community groups including the Friendship Society and Helping Hands. The concert band under the direction of Mrs Julianne Schick played beautifully and the senior vocal ensemble under the direction of Mrs Naomi Drogemuller sang with spirit.

On ANZAC Day itself, our students were heavily involved in the local community ANZAC Ceremony. Our concert band again played and our College Captains gave the address. It was wonderful to see so many students joining their community on such an important day in the Australian calendar, with over 100 students representing

the college, including joining the march and with many other students representing a variety of local community groups.

Student Policy Updates

As part of our ongoing review and continuous improvement processes, the College has recently updated several student policies. These policies apply to all students P-12 and include the Homework, Assessment and Responsible Behaviour Plan for Students. Student policies can be located on our school website <https://earnshawsc.eq.edu.au>. Students are informed of policies through their class and/or form teachers at the start of every semester and when updates occur.

Senior Scene

Cyber bullying is a method of bullying using technology such as the internet and mobile phones.

According to Bernard and Milne (2008) the main forms of cyber bullying are:

- **Flaming:** online fights using electronic communication with angry or vulgar messages
- **Harassment:** repeatedly sending nasty, mean or insulting messages
- **Denigration:** posting or sending gossip or rumours about a person to damage his/her reputation or friendships
- **Outing:** sharing someone's secrets or embarrassing information or images online
- **Exclusion:** Intentionally and cruelly excluding someone from an online group
- **Cyber stalking:** repeated, intense harassment and denigration that includes threats or creates significant fear.

What is not bullying?

While it is important to understand and define what bullying is, it is also important to be clear which behaviours are NOT bullying. For some people, 'bullying' is a highly emotive term and its use may lead to a strong reaction (Rigby, 2010).

The National Centre Against Bullying acknowledges that while the following behaviours are often upsetting to those involved, they do NOT constitute bullying:

- social bantering with minor insults and jokes
- mutual arguments and disagreements (where there is no power imbalance)
- not liking someone or a single act of social rejection
- one-off acts of meanness or spite

- isolated incidents of aggression, intimidation or violence.

While these behaviours would not be considered bullying because they do not involve deliberate and repeated harm and a power imbalance, they need to be addressed in the same way as other inappropriate student behaviours. If parents are concerned about these behaviours, they should contact their child's teacher.

What can I do if my child is being bullied?

If your child is being bullied via electronic communication, encourage your child:

- not to respond to the message or image
- to save the evidence
- to block and delete the sender
- to report the situation to the Internet Service Provider or phone service provider; they can help you block messages or calls
- to tell trusted people – teachers and police if necessary.

Despite the concern and distress you may feel, avoid getting personally involved and taking matters into your own hands. You may also wish to contact the school if the person doing the bullying is another student.

Level 1 & 2 Behaviour Awards

Earnshaw State College operates a successful Code of Behaviour that includes six behaviour levels. The code is underpinned by three college behaviour rules; **Be Responsible**, **Be Respectful** and **Be Safe**. All students begin the school year on Level 3, with aspirations to achieve Level 1 or 2.

At our weekly Junior School Assembly, students who have increased their behaviour level are awarded a Behaviour Certificate. Prior to the assembly, an invitation to the student's parents is issued to encourage their attendance. I would like to thank the school families who have attended any of the Junior School Assemblies throughout 2013. The students and staff appreciate your support and enjoy sharing our success stories with you. It is a very powerful image to have so many students who consistently make positive behaviour choices up on stage together.

For those students who have achieved Level 2 status, I encourage you to strive to achieve Level 1 status and always behave your best. Any students presently on Level 3, your goal is to attain Level 2 status and I advise

you to continually listen to your teacher for advice. Any students who are on Level 4/5 status, Earnshaw State College has procedures in place to ensure that you are assisted in learning strategies to ensure you develop the ability to consistently make positive behaviour choices.

Prep Enrolments – 2014

Earnshaw State College is accepting enrolments of children who were born between **1st July 2008 and 30th June 2009** to begin **Prep in 2014**. A birth certificate is required to be sighted and photocopied prior to enrolment. If you do not have a birth certificate, you need to obtain one by making an application at the Registry of Births, Deaths and Marriages.

Parents wishing to enrol their child in Prep 2014 at Earnshaw State College are encouraged to contact the college on 3621 7440 to collect the enrolment package and to book an enrolment interview with the Head of School. Alternatively, the enrolment form can be downloaded from our website @ www.earnshawsc.eq.edu.au

We will be holding a **Prep Information Evening** during Term 3 and a series of **Pre-Prep Transition Days** during Term 4. All school families that have registered their student's enrolment for Prep 2014 will receive an invitation.

I encourage you to spread the word to any future school families and encourage them to visit the school or phone 3621 7440 to register their student's enrolment details.

Year 5 to 7 Friday Sport

Term 2 Interschool and Intraschool Sport for Year 5 to 7 students begins on Friday 24th May. The Semester One Sports Levy of \$40 must be paid by all Year 5 to 7 students prior to attending either Interschool or Intraschool Sport. The levy covers transportation costs, affiliation fees, coaches' fees and sports equipment.

Dress Code Policy

Earnshaw State College is a uniform school and the wearing of the uniform is compulsory. Class teachers and school administration will follow-up on a daily basis to ensure every student adheres to the Dress Code Policy. All students are to have their shirts tucked in and look smart and presentable as we foster the feeling of pride in the wearing the Earnshaw State College uniform.

To ensure all school families clearly understand the Dress Code Policy, the table below should clarify any queries regarding what uniform each student should wear, depending on their current year level:

Prep	Sports uniform every day
Year 1	Formal uniform every day except Monday & Tuesday

Year 2	Formal uniform every day except Tuesday (2/3A) & Wednesday (2B)
Year 3	Formal uniform every day except Monday (3A) & Tuesday (3B)
Year 4	Formal uniform every day except Wednesday
Year 5	Formal uniform every day except Thursday & Friday
Year 6	Formal uniform every day except Monday & Friday

If you have any queries, please don't hesitate to contact me via the Junior School Office on 3621 7440 or email hjs@earnshawsc.eq.edu.au. I am available by appointment and/or email to discuss a matter relating to the Junior School operations and/or your student's education.

Warm regards

Homestay Families Required

Earnshaw State College is hoping to once again host Showa High School (Japan) through Education Queensland's International Study Tour Programs in July this year. Last year, Showa High School spent 11 days with our students with many friendships developed and our students travelled to Japan in September holidays. We are currently compiling a database of families who would be open to accommodating visiting students during their 10 night visit. Homestay families are very important to the success of such study visits as it allows visiting students the best opportunity to practice their English conversation skills in everyday life, while ensuring safe accommodation and a caring home environment.

Responsibilities for host families include:

- Providing three meals a day as well as snacks (or suitable amount of money)
- Providing transfers to/from school (this can include public transport if travelling with another host student)
- Providing a bed, preferably in a separate sleeping area or sharing a room with another child of the same gender

Homestay families do receive payment for hosting overseas students. The process for becoming a homestay family does involve several steps as listed below. If you are interested in becoming a homestay family, please ring the office on 36217333 to receive the required application.

Host family process:

1. Register your interest by ringing the office on 36217333.
2. Complete forms 'A' and 'B' as well as blue card application and return to Earnshaw State College Main Office
3. Attend first information evening
4. Home Inspections completed by Accredited Officers (Sally Dexter, Richard Tweney and/or Mari linuma)
5. Pre-arrival information evening

Being a host family also provides your family with a wonderful opportunity to forge new friendships and learn about the culture of another country.

Year 7's Visit to North Pine Dam

Year 7 students attended the North Pine Dam and Water Treatment Plant on Tuesday, 30 April. This facility supplies families and businesses on Brisbane's north side with quality drinking water 24 hours a day, 7 days per week. The plant treats most of the water during the night, as electricity tariffs are cheaper then and this helps keep bulk water prices low. To ensure the water in North Pine Dam is kept as clean as possible, the public is not allowed to use any mechanical craft on the water. We found that, at 47 metres high, the dam wall is about one third the height of the Hinze Dam wall and that water is allowed to 'leak' constantly through the wall to ensure the Pine River continues running and the river system downstream isn't damaged. After our walk on the dam wall, students were able to perform water testing – looking for macroinvertebrates (insects), pH levels, phosphates and nitrates. These tests are the same types of tests that SEQWater staff perform each day at different stages of the water treatment cycle.

After a bite to eat, we took a tour of the actual water treatment plant – getting up close and personal with a flocculation tank, sedimentation tank and an enormous creepy crawly that sucks up fine particles before the water is sent through five huge sand filtration tanks. After this final treatment a small amount of chlorine is added to kill any remaining bacteria and the water is then stored in one of three, one million litre storage tanks on site.

This excursion allowed students to gain first-hand experience of the water treatment cycle and, for some students, was the first time they had seen so much water in one place, at one time!

Woolworths Earn & Learn is Back!

Last year, the Earnshaw State College community collected enough **Earn & Learn** points to purchase **\$3692 worth of fantastic resources!** Our goal is to beat that amount this year!

It's easy!

- From **Monday 8th April until Sunday 9th June 2013**, when you shop at Woolworths you will be given a Woolworths Earn & Learn Point. There will be one Woolworths Earn & Learn Point for every \$10 spent, excluding cigarettes, liquor and gift cards.
- Collect these Woolworths Earn & Learn Points, stick them on your Woolworths Earn & Learn Points Sheet, then drop your completed Woolworths Earn & Learn Point Sheet into the Collection Box at the Junior or Senior School Office.

- Woolworths Earn & Learn Point Sheets are available at Woolworths. Or download here. [Click here to download.](#)

Scholastic Bookclub

I would like to thank everyone for the fantastic response to our last issue of Bookclub. We received a lot of reward points that we will be able to spend next time on resources for our school library.

Make reading an integral part of your children's lives. Have them read menus, roadside signs, game directions, weather reports, movie time listings, and other practical everyday information. Also, make sure they always have something to read in their spare time when they could be waiting for appointments or riding in a car.

Helping Hands Earnshaw Outside School Hours Care

Hey Everyone,

Just a quick hello this week. We are very excited to announce our Making Movies program will be commencing this Thursday 9th May - with one session available at 3.30pm – 4.30pm. As previously discussed, the children will be using the stories of Dr Seuss as a stimulus and basis for their movie scripts. They will be taught how to sequence the story and shoot, direct and act within the scenes. At the end of the five weeks a 2 minute film will be made and will be shown in a film festival at the centre for parents and relatives. For those who cannot attend,

the content will be made available on a private channel through You Tube and will be only available for a limited time. The workshops will use iPad technologies to both film and edit the end product.

Please be aware that this is a paid activity and is only eligible to students who are enrolled in Helping Hands Care. Please feel free to come and visit or drop an email with any enquiries you may have about the program. Spaces are limited, but we will be taking enrolments until Wednesday 8th of May, so if you are interested, please fill in the form included as well as the general enrolment package if your child/ren does not currently attend the centre. It is a first in best dressed situation with forms numbered as they are received so please ensure that you get them in as soon as possible to avoid disappointment.

We have also introduced our Very Important Programmer program or VIP for the centre. Every fortnight we will ask one of the children to come up with the theme on which we base all of our activities for the program – we have already had one successful round with Cars being suggested by Hayden Banfield, which involved exploring the world of cars and getting licences to prove that we now know our road rules. We will be continuing on with this unit for a little longer and then moving on to other children's suggestions. Thanks to all the kids for their suggestions and the kid's committee for coming up with the idea.

If you would like to join us, our term time enrolments our places are filling fast. If you require care on Tuesday, Wednesday or Thursday please contact the centre first to check availability as these days are close to capacity for the centre. If you need an enrolment package you can find these at the Junior School Office or at the Centre at the bottom of M Block, closest to the toilets. If you have any enquiries or need a quote please contact Erin on 0448 371 401 or earnshaw@helpinghandsnetwork.com.au

We would also like to take this time to wish all of our Mums the very happiest of Mother's Days. We hope that your children look after you well on Sunday and we also say thanks to you for being such fantastic clients and always supporting our centre. We are very honoured to know you all!

Brisbane City Council Libraries Gold Star Reading Club

Children are encouraged to read and write during this year's Gold Star Reading Club program, which commences in Council libraries across the city on Saturday 4 May 2013. The Gold Star Reading Club is designed to encourage and develop reading and literacy skills in children.

There are five great reasons for children to get involved in the 2013 Gold Star Reading Club.

1. Membership to the Gold Star Reading Club is FREE!
2. The Gold Star Reading Club can help children improve their reading and literacy skills.
3. Children will be rewarded for reading with exciting monthly incentives – a writing journal, a writing pen, story inspiration dice and library bag.
4. The opportunity for all participants to enter the monthly draw to win a \$25 book voucher.
5. It's FUN! Children will have fun sharing their reading experiences with family and friends.

How the program works – it's easy and free!

- The Gold Star Reading Club is a four month program for children of primary school age.
- Register for the Gold Star Reading Club online (www.brisbane.qld.gov.au/libraries) or at your local library. Your child must be a library member to join the Gold Star Reading Club – library membership only takes a couple of minutes and is free. Each child's parent or guardian must bring photo identification (i.e. driver's licence or passport) and proof of their address to any Council library, and children can become members in a matter of minutes. **It's that easy.**
- Gold Star members will receive a Gold Star Reading Club activity book that includes progress charts, reading suggestions, competition entry forms and heaps of fun activities.
- By reading just two books of their choice each month and recording the details in their activity book, children can collect eight gold stars and monthly incentives.
- Children who collect all eight gold stars are eligible to:
 - enter the major prize draw at the end of the program to win a \$250 book voucher for themselves and another one for their school
 - receive a medallion and a certificate of achievement
 - attend their local Gold Star Reading Club awards ceremony with their families.

For more information about the Gold Star Reading Club, visit your local library or call Council on 3403 8888.

FREE - "HOW TO ENCOURAGE YOUR CHILD'S READING" WORKSHOP

Education starts at home and parents and families are their children's first teachers. With this in mind, the free Parent Ready Readers training program provides parents and carers of children in Prep to Year 3 with some key strategies to use at home to support their child's reading and to develop a love of books prior to developing their reading abilities.

The training runs for approximately 90 minutes and consists of four modules:

- What is literacy?
- Understanding the reading process
- Stages of reading
- Listening to your child read and reading to your child

Participants receive a Parent Ready Readers booklet with training notes, reading activities and additional resources, which will help to build a lifelong love of reading.

Session times for 2013 - you may attend any venue that is convenient to you.
