Year 12 Student Outcomes Report

The Queensland Studies Authority (QSA) has recently released the School Report on 2012 Year 12 outcomes. These annual reports are compiled by data provided by QLD schools, other learning providers such as TAFE and the Queensland Tertiary Admissions Centre (QTAC). The report contains a range of educational data about the learning outcomes of all year 12 students.

It is very pleasing to report that our 2012 graduates achieved outstanding outcomes that are better than or comparable to students in other schools. 84% of our OP eligible students received an OP 1-15, 100% of students exited with a vocational qualification and all students exited with a QCE, OP or VET qualification. An advantage of being small is that we can cater to the needs of all of our students and support them in their individual learning pathways.

For more information, you can access the report on the website at www.qsa.qld.edu.au

Sale of Some of Our Land

Many of you will have become aware of the recent announcement regarding the sale of part of the college. In some cases, there have been conflicting messages published about this. To date, the college has been advised that the land identified for sale is an area of 1.2 hectares which encompasses the old soccer fields. The boundary is approximately in line with the gate and extends across to the water tank located near the communal garden.

Rewards Day and School Disco - Levy Payments Required

The Junior School Disco will be held on Friday 14th June and Rewards Day on Thursday 20th June.

Eligibility for these events (and other extra-curricular activities, eg: Representative Sport and Instrumental Music) includes the payment of the school levies. If you would like to organise a formal payment plan for your school levies, please contact the Business Services Manager at the main office.

Prep Enrolments – 2014

Earnshaw State College is accepting enrolments of children who were born between **1st July 2008 and 30th June 2014** to begin **Prep in 2014**. A copy of a birth certificate is required to be sighted and photocopied prior to enrolment. If you do not have a birth certificate, you need to obtain one by making an application at the Registry of Births, Deaths and Marriages.

Parents wishing to enrol their child in Prep 2014 at Earnshaw State College are encouraged to contact the college on 3621 7440 to collect the enrolment package and to book an enrolment interview with the Head of School. Alternatively the enrolment form can be downloaded from our website at www.earnshawsc.eq.edu.au.

We will be holding a **Prep Information Evening** during Term 3 and a series of **Pre-Prep Transition Days** during Term 4. All school families that have registered their student's enrolment for Prep 2014 will receive an invitation.

I encourage you to spread the word to any future school families and encourage them to visit the school or phone 3621 7440 to register their student's enrolment details.

If you have any queries, please don't hesitate to contact me via the Junior School Office on 3621 7440 or email hjs@earnshawsc.eq.edu.au. I am available by appointment and/or email to discuss a matter relating to the Junior School operations and/or your student's education.

Warm regards

From the Beacon Ambassadors

BEACON is an organisation that helps high school students engage in learning and deciding what to do once they leave school. One of the activities that help students decide what career path to follow is speed careering. Speed careering is when a business representative comes to our school and talks about their career and what they had to do during school to get to where they are today. The purpose of this activity is to widen the possibilities for students and help them decide what career sounds good to them and hopefully strive to achieve their career goal.

On Thursday 30 May, following our successful BEACON industry breakfast in term 1, the BEACON Ambassadors will be hosting the Speed Careering event. We have confirmed industry representatives from Accenture, H J Heinz, Daley Law Practice, Do Dance, State Member for Parliament, and Queensland Police Force. We are very excited to be welcoming these guests into our college and hope to learn about their jobs and career paths.

Global Enterprise Challenge Team Chases a Fourth Title

Having completed a three-peat of Australian and International Global Enterprise Challenge titles in 2010, 2011 and 2012, Earnshaw State College's new-look GEC team is now in the final stages of preparing for the defence of its title on Saturday 15 June.

In 2013, the GEC task will now be undertaken across a 12-hour timeframe (9:00am to 9:00pm), instead of the previous 24-hour period. However, the challenge still requires students to prepare a two-page written report, three-minute video presentation and PowerPoint slides in response to a topic of global significance.

The team has been attending weekly sessions since the beginning of the year and undertook a trial of the new format in late February. With five new members in the team, this trial was essential in providing experience to newcomers, as well as identifying 'lesser strengths' we needed to work on before the GEC in mid-June.

The mentoring team was very, very pleased with the way the team handled the shift in planning and processes to still be able to maintain our very high standard of work, but to a much tighter schedule. The team will also undertake a 12-hour practice on Saturday 1 June.

Many thanks to business mentor Bob Steele and staff members Jane Freier, Richard Tweney, Scott Saxby, Jennie Harvey, Louise Werner and Kirsten Tuckett for assisting and supporting the team before and during the trial, as well as Shannon Kelly and Cindy Postle for their assistance with catering.

The new GEC team (pictured) is: Year 12 - Jaime Lines, Bridget Greathead. Year 11 - Tiana Lines, Jesse Turnbull, Emma-Louise Clinton. Year 10 - Emily Lovell, Breanna Noye, Tahlia Welch. Year 9 - Madison Ryan, Kanya Haines. Mentors: ColleenHills, Bob Steele, Jane Freier, James Manning.

Fundraising Committee Update

Mother's Day Stall

Many, many thanks to all of the students, parents and teachers who supported this year's Mother's Day Stall. Thank you for your support, we managed to raise \$2,300 for the students of Earnshaw. This is a great effort and easily surpasses the amount of money normally raised from this stall. A special thank you to all of the parents who helped through making craft items or assisting students in purchasing their gifts. Your support is much appreciated.

Earnshaw Festival Update

The Earnshaw Festival is less than 6 months away and lots of work is taking place behind the scenes to ensure that this event is a success. Rides for all ages have been booked, show bags have been ordered, the animal and llama farms are ready to go and the fireworks are organised and ready to dazzle us all.

With all large community events, volunteers are required to assist in the organisation process. You can assist by volunteering your time to:

- contact local businesses seeking sponsorship or donations for the Festival. Letters have already been sent to these businesses so a follow-up phone call is all that is required. The school phones are available and ready to be used!
- drop flyers in letterboxes to promote the Festival. The more people attending our College Festival, the more money that will be raised to support the education of your children.
- support your child's teacher in preparing their class stall. Each class/year level has been allocated a stall, ranging from novelty events to cakes to show bags to the BBQ. Parents are needed to help prepare stalls before the Festival as well as assisting in running stalls on the day. If you can help, please contact your child's teacher.

Have you got any of the following items lying about the house;

- clean glass jars?
- second hand books?
- pre-loved children's clothes and toys?
- plants?

If so, please bring them in to school and drop them at the Junior or Senior School offices.

Finally, we are seeking sponsorship from businesses. Sponsorship can take place in the form of a cash donation and/or donation of goods or services. In exchange for supporting the College Festival, businesses will receive promotion through the college newsletters, on the college website and on the day of the Festival. If you know of any businesses that would be prepared to support your child's school, please let one of the Executive Committee members know.

Kind regards

Clinton Marychurch, Lisa Witherspoon, Karyn Ngatoko and Angela Greathead

Earnshaw State College NAIDOC Week

NAIDOC stands for the National Aborigines and Islanders Day Observance Committee.

NAIDOC is a celebration of Aboriginal and Torres Strait Islander cultures and an opportunity to recognise the contributions of Indigenous Australians in various fields.

Activities take place across the nation during NAIDOC Week in the first full week of July. As this falls in the school holidays, Earnshaw

StateCollege will be celebrating during the first week of Term 3: 8-12 July.

The theme for NAIDOC Week 2013 is **We value the vision: Yirrkala Bark Petitions 1963.**

This year's theme proudly celebrates the 50th anniversary of the presentation of the Yirrkala Bark Petitions to the Federal Parliament.

In August 1963, the Yolngu people of Yirrkala in northeast Arnhem Land sent two bark petitions – framed by traditional ochre paintings of clan designs – to the Australian House of Representatives. The petitions sought the recognition by the Australian Parliament of the Yolngu peoples' traditional rights and ownership of their lands.

The petitions were the first traditional documents recognised by the Commonwealth Parliament and helped to shape the nation's acknowledgment of Aboriginal people and their land rights. Today, we look to a future that better understands and celebrates the unique connection that Aboriginals and Torres Strait Islander's share to country, as we continue to build an Australia that reflects the achievements and furthers the aspirations of our people.

Art Competition

Earnshaw State College Closing the Gap Committee is holding an Art Competition as part of our NAIDOC Week celebrations. The theme will be:

“Connection to country: we love the land”.

All students P-12 are invited to participate.

1. **Artwork:** no larger than A3 size
2. **Theme:** “Connection to country: we love the land”
3. **Media:** select from painting, drawing, collage, mixed media
4. **Entry:** bring to the Junior School Office by Thursday June 20 2013

Please collect an entry form from either office.

Mothers' Day Celebrations in Prep

(: We love our Mums in Prep A :)

On Friday, May 10th, the Prep A students invited their Mummies in for an afternoon of activities, pampering, delicious treats and gifts. We celebrated with 16 lovely Mums (and one Grandma) who received very colourful manicures, enjoyed painting portraits, created with pink, coconut scented play dough, designed necklaces and made "Number 1 Mum" badges! We supplied a delicious afternoon tea of baby cupcakes and pikelets and

presented our Mummies with three special gifts.

Mrs Trinder and Mrs Symonds are deeply grateful to everyone who made it to our afternoon. THANK YOU, LOVELY LADIES!!!!

STOMPING OUT THE HEALTH ISSUES
HEALTH & WELLBEING FACT SHEET

OBESITY IN AUSTRALIAN KIDS
Obesity affects even the youngest of Australians. According to the Department of Health, a disturbing 17% of children aged 2-6 are officially overweight. A further 6% are classified as obese.

As well as the bullying, low self esteem, social and other psychological harm childhood obesity can bring, it also carries significant health concerns including:

- Heart disease including hypertension
- Sleep apnoea
- Type II diabetes
- Asthma.

RESEARCH SHOWS
OBESSE CHILDREN
USUALLY BECOME
OBESSE ADULTS

And if we don't do something about it, it is predicted that half of ALL Australian children will be overweight in just 15 years from now.

GETTING KIDS OFF THE COUCH AND INTO ACTION

Experts agree children need an absolute minimum of 60 minutes of moderate to vigorous exercise each and every day and the more time spent being active, the better off they'll be. For many children the 60 minute minimum can be achieved by simply getting off the bus a few stops earlier and walking the rest of the way to and from school or walking to the shops or to a friend's place. And walking with children can help parents achieve the minimum 30 minutes of exercise that is recommended for Australian adults each day.

Computer time or sedentary activity like watching TV should be limited to a maximum of two hours a day (unless it's educational i.e. for homework or at school).

WHEN IT'S JUST FOR FUN, 3 HOURS OF TV, COUCH OR PC A DAY IS THE LIMIT

Choir and Instrumentalists Performing at Local Fete

Our Junior Choir, Senior Vocal Ensemble and selected instrumentalists have been asked to perform within our local community. St Oswald's church in Froude Street, Banyo hosts a fete each year (see flyer in community notices below) and always welcomes the local community and children into their grounds for a fund-raising event. Our performance time will be 9:30am on Saturday 1st June. If you're free that day, please come and support our young performers.

Homestay Families Required

Earnshaw State College is hoping to once again host Showa High School (Japan) through Education Queensland's International Study Tour Programs in July this year. Last year, Showa High School spent 11 days with our students with many friendships developed and our students travelled to Japan in September holidays. We are currently compiling a database of families who would be open to accommodating visiting students during their 10 night visit from 21st to 31st July 2013. Homestay families are very important to the success of such study visits as it allows visiting students the best opportunity to practice their English conversation skills in everyday life, while ensuring safe accommodation and a caring home environment.

Information Meeting Next Week

We will be having a brief information evening this Wednesday 29 May at 6.00 pm in the Administration Building for any families who have registered interest or are interested in hosting a student from Japan in July. The session will be approximately 30-45 minutes long.

Responsibilities for host families include:

- Providing three meals a day as well as snacks (or suitable amount of money)
- Providing transfers to/from school (this can include public transport if travelling with another host student)
- Providing a bed, preferably in a separate sleeping area or sharing a room with another child of the same gender

Homestay families do receive payment for hosting overseas students. The process for becoming a homestay family does involve several steps as listed below. If you are interested in becoming a homestay family, please ring the office on 36217333 to receive the required application.

Host family process:

1. Register your interest by ringing the office on 36217333.
2. Complete forms 'A' and 'B' as well as blue card application and return to Earnshaw State College Main Office
3. Attend first information evening
4. Home Inspections completed by Accredited Officers (Sally Dexter, Richard Tweney and/or Mari Iinuma)
5. Pre-arrival information evening

Being a host family also provides your family with a wonderful opportunity to forge new friendships and learn about the culture of another country.

Year 7 Trip to Canberra Places of Interest

The National Capital Exhibition

This centre tells the story of Canberra, through interactive displays. The Exhibition illustrates the vital role Canberra has as a symbol of Federation. In this year of Centenary, this exhibition is sure to have something special in place for its visitors. This centre features the people, events, history and design which contributed to the development of this unique,

modern and fully planned city. I am sure that our current year 7 students who intend traveling to Canberra in October, will find this venue as interesting and informative as those of our students who have previously visited it.

Brisbane City Council Libraries Gold Star Reading Club

Children are encouraged to read and write during this year's Gold Star Reading Club program, which commences in Council libraries across the city on Saturday 4 May 2013. The Gold Star Reading Club is designed to encourage and develop reading and literacy skills in children.

There are five great reasons for children to get involved in the 2013 Gold Star Reading Club.

1. Membership to the Gold Star Reading Club is FREE!
2. The Gold Star Reading Club can help children improve their reading and literacy skills.
3. Children will be rewarded for reading with exciting monthly incentives – a writing journal, a writing pen, story inspiration dice and library bag.
4. The opportunity for all participants to enter the monthly draw to win a \$25 book voucher.
5. It's FUN! Children will have fun sharing their reading experiences with family and friends.

How the program works – it's easy and free!

- The Gold Star Reading Club is a four month program for children of primary school age.
- Register for the Gold Star Reading Club online (www.brisbane.qld.gov.au/libraries) or at your local library. Your child must be a library member to join the Gold Star Reading Club – library membership only takes a couple of minutes and is free. Each child's parent or guardian must bring photo identification (i.e. driver's licence or passport) and proof of their address to any Council library, and children can become members in a matter of minutes. **It's that easy.**
- Gold Star members will receive a Gold Star Reading Club activity book that includes progress charts, reading suggestions, competition entry forms and heaps of fun activities.
- By reading just two books of their choice each month and recording the details in their activity book, children can collect eight gold stars and monthly incentives.
- Children who collect all eight gold stars are eligible to:
 - enter the major prize draw at the end of the program to win a \$250 book voucher for themselves and another one for their school
 - receive a medallion and a certificate of achievement
 - attend their local Gold Star Reading Club awards ceremony with their families.

For more information about the Gold Star Reading Club, visit your local library or call Council on 3403 8888.

FREE - "HOW TO ENCOURAGE YOUR CHILD'S READING" WORKSHOP

Education starts at home and parents and families are their children's first teachers. With this in mind, the free Parent Ready Readers training program provides parents and carers of children in Prep to Year 3 with some key strategies to use at home to support their child's reading and to develop a love of books prior to developing their reading abilities.

The training runs for approximately 90 minutes and consists of four modules:

- What is literacy?
- Understanding the reading process
- Stages of reading
- Listening to your child read and reading to your child

Participants receive a Parent Ready Readers booklet with training notes, reading activities and additional resources, which will help to build a lifelong love of reading.

Session times for 2013 - you may attend any venue that is convenient to you.

Monday 29 April 2013 9.30 – 11.00am Albany Creek State School – Albany Creek
