### From the College Principal's Desk

---

#### Welcome Back to Term 3

Welcome back to all students, and a special welcome to new students who have joined our Earnshaw family this term.

Over the holidays all students should have received their Semester 1 Reports. I ask that parents take the time to sit down and read these reports in conjunction with students' individual targets.

When reading them, students should reflect on the following questions:

- Did I achieve my target?
- Was my target too ambitious or not high enough?
- Does my academic achievement reflect my effort and behaviour?
- Can I say I did my best?
- Am I meeting pre-requisites for study in subsequent years?
- Am I on track to being awarded a qualification in a nationally recognised course or getting my QCE

If the answer to these questions is NO- then How can I improve?

In the coming weeks, students will be working with their teachers to set new targets for their learning.

#### Creating a Reading-friendly Home

A home filled with reading material is a good way to help kids become enthusiastic readers. What kind of books should you have? Ask your kids about their interests. If they're too young to have a preference, your local librarian can offer suggestions about age-appropriate books.

## Here are some other tips:

Keep a varied selection. Collect board books or books with mirrors and different textures for babies. Older kids will enjoy variety: fiction, nonfiction, and poetry plus dictionaries and other reference books.

Kids can understand stories they might not be able to read on their own. If a more challenging book interests your child, make it something to read together. Younger kids can look at illustrations in books and ask questions as they follow along.

And don't limit reading material to books. Kids might also enjoy:

- magazines (for kids)
- audio books
- postcards from relatives
- photo albums or scrapbooks
- newspapers
- comic books
- the Internet

Keep reading material handy. Keep sturdy books with other toys for easy exploration. Books near the changing table and high chair can be helpful distractions for younger kids at appropriate moments. Plastic books can even go in the bathtub. Keep books next to comfy chairs and sofas where you cuddle up so you can read after feedings and naps.

Create a special reading place. As kids grow, keep age appropriate books and magazines on shelves they can reach in their favourite hangouts around the house. Make these shelves appealing and keep them organized. Place some of the books with the covers facing out so they're easy to spot.

Put a basket full of books and magazines next to their favourite places to sit. Create a cozy reading corner, and encourage kids to use it by setting up "reading corner time" each day.

Keep it appealing. Make sure reading areas have good lighting. Change the materials often — add seasonal books, rotate different magazines, and include books that relate to what kids are interested in or studying in school. Decorate the corner with your child's artwork or writing. Place a CD or tape player nearby for audio books.

Encourage kids to create the reading. Set up a writing and art centre and encourage kids to make books, posters, or collages that they decorate with their own pictures and writing. Kids love to read things they've written themselves or to share their creations with family and friends.

## Great teachers = Great results

**Great teachers = Great results** is the Queensland Government's five-year, \$537 million action plan to make our state's education system even better.

It will:

- support teachers with mentoring, training and resources
- reward outstanding teachers with career opportunities and scholarships
- strengthen state school discipline
- allow schools to have more say in how they are run because each school community knows what's best for Queensland kids.

The plan will lift standards of teaching and give schools more flexibility to get on with the job with a range of research-based initiatives to help your child get a great education, no matter where you live.

There will be new ways of measuring and rewarding high performances among our teachers, as well as strengthened discipline and streamlined processes for suspensions and exclusions.

Find out more about the plan: [www.qld.gov.au/greatteachers](http://www.qld.gov.au/greatteachers)

### College Open Afternoon and Subject Selection Evening

On Monday 12th August, Earnshaw State College will be holding a combined Open Afternoon and Subject Selection Evening. This evening is very important for all students entering into years 7 to 11 in 2014. Information sessions will be held for parents throughout the evening by Heads of School and the Principal.

The Sports Hall will be set up as a mini expo, with each curriculum area having a trade display to allow students and their parents to gain insight into the different subjects on offer and talk to the teachers. More information will be out shortly with sessions times. We look forward to seeing students and their parents at this event. Please pass this information along to anyone you know who may be interested in enrolling at Earnshaw State College, as all new students and families are welcomed.

The importance of positive role models in the lives of Australia's young men and women cannot be underestimated. Role models can enhance a young person's self-esteem, sense of belonging and life strategies, which can dramatically impact the direction of that young person's life.

Disturbingly, there are currently 111,100 15 – 19 year old men and 104,200 15-19 year old women in Australia disengaged from education and employment, from which point they face an uncertain future. Fortunately, two programs now exist, designed to harness the power of positive role models to encourage young men and women to remain on a positive pathway.

**BBQ with the Boys** and **Lunch with the Girls**, which will be delivered by the Beacon Foundation at Earnshaw State College on 25 July, gives 20 male and 20 female year ten students an opportunity to connect with men and women from the local community, hear their stories and be inspired to increase their own aspirations, significantly improving their chances of success in the transition from secondary school into further education, employment or training.

As well as the chance to connect with local men and women, the program also provides students with the opportunity to develop competencies in a range of '21<sup>st</sup> Century Skills' which employers have identified as being of most importance when hiring young people. These skills include communication, collaboration, resilience, initiative, leadership, team work and self awareness.

## About the Beacon Foundation:

The Beacon Foundation is a national non-profit organisation working in more than 130 secondary schools across all Australian states and territories, and believes every young Australian can develop an independent will to achieve personal success for themselves and their communities.

The Beacon Foundation has an established track record of helping inspire and motivate students to either stay in school and increase their educational engagement and attainment or choose a positive pathway that enables successful transition to employment, further education or training.

### Year 10 Aspirational Program

During the last week of term two, our year 10 students engaged with the community under the guise of Work Experience. Moreover, each year our students return to the school full of enthusiasm and wonder from experiencing the world of work. All year 10 students have been engaged in Work Education which will culminate in a Certificate I in Work Education. Work experience will also help guide students through the maze of selecting subjects to be studied over the next two years. Employers were impressed with the maturity and enthusiasm of Earnshaw students. Our students need to be congratulated for their commitment in representing themselves and the College. A certificate of thanks will be forwarded to the employers thanking them for their support.

## TSXPO – Tertiary Studies Expo

More information regarding the expo appears later in the newsletter. This is a very important event that will answer the many questions you may have about selecting a University course or selecting subjects at school. Please take the time to attend over the weekend of 21 & 22 July.

Here is a link to the website giving more detailed information including an opportunity to win an iPad!

[www.tsxpo.org](http://www.tsxpo.org)

## Y Lead for year 8 & 9 students

All year 8 and 9 students will be participating in an interactive program on Tuesday 23 July run by the Y Lead group. These programs run each year and students speak very positively about the activities they engage in during the one hour session. These workshops are an integral part of our school wide positive behaviour support and give students an opportunity to interact with each other in a positive manner.

*Richard Tweney*

Head of Senior School

## Junior Jottings

---

Welcome back to all students, school families and staff to Term 3 which is an 11 week term. I trust you all had a safe and enjoyable holiday. It has been very pleasing to see how smoothly the students have slotted back into their class routines and I expect everyone to continue to give their best effort to ensure this term is a terrific one.

## Success at School

After reflecting back on Semester One, make the judgement whether your student/s had a successful semester. I'm sure that you will tick many of the key points listed below. Current educational research has found that students who succeed at school come from families who...

- Expect students to achieve at school
- Value education and express this to their students
- Frequently discuss school and related events

- Have regular routines
- Encourage students to have a range of interests and hobbies

What you accept, you come to expect. This phrase states to each of us that if you accept negative attitudes, unacceptable behaviour or mediocre learning standards – I guess it's only natural that children will achieve to that level adults expect.

At Earnshaw State College, we regularly follow-up on students to ensure they achieve their best possible results. We don't want them to just '*have a go*', we expect all students to '*give their best effort always*'.

I know our school families support these views and appreciate school staff maintaining the high standards of academic performance and behaviour. Let's continue to work together to ensure Earnshaw State College fosters numerous opportunities for students to achieve success.

## Semester One Reports – Parent/Teacher Interviews

Semester One Report Cards were issued at the end of last term. I encourage you to review the report card and discuss with your student any concerns that you or your student may have. If you wish to seek clarification or have an interview with your student's class teacher, please contact the college to arrange a meeting during the early weeks of Term 3.

Please note that the scheduled **Term 3 Parent/Teacher Interviews** will be held during **Week 7, Monday 19<sup>th</sup> August – Friday 23<sup>rd</sup> August**. A letter detailing the interview process will be issued to school families closer to the date. I encourage all school families to make the effort to attend the interview as it will be an ideal opportunity for teachers to share Semester Two's individual academic targets, review current achievement progress and continue to build positive relationships between school and home.

## Prep Enrolments – 2014

Earnshaw State College is accepting enrolments of children who were born between **1<sup>st</sup> July 2008 and 30<sup>th</sup> June 2009** to begin **Prep in 2014**. A copy of a birth certificate is required to be sighted and photocopied prior to enrolment. If you do not have a birth certificate, you need to obtain one by making an application at the Registry of Births, Deaths and Marriages.

Parents wishing to enrol their child in Prep 2014 at Earnshaw State College are encouraged to contact the college on 3621 7440 to collect the enrolment package and to book an enrolment interview with the Head of School. Alternatively the enrolment form can be downloaded from our website at [www.earnshawsc.eq.edu.au](http://www.earnshawsc.eq.edu.au).

## Prep Information Session

We will be holding a **Prep Information Session** on **Monday 12<sup>th</sup> August at 6:30pm as part of the college's Open Day**, following the Whole College Information Session with the Principal at 5:45pm. We will also hold a

series of **Pre-Prep Transition Days** during Term 4. All school families that have registered their student's enrolment for Prep 2014 will receive an invitation.

If you have any queries, please don't hesitate to contact me via the Junior School Office on 3621 7440 or email. I am available by appointment and/or email to discuss a matter relating to the Junior School operations and/or your student's education.

Warm regards

*Brendan Forbes*

Head of Junior School

## Earnshaw Festival Update

---

- The Earnshaw Festival is just over three months away. The Festival Committee has been working tirelessly to organise an enjoyable event for all ages and interests! A range of rides including The Sizzler, The Dominator, The Merry-Go-Round, Mega Playhouse Castle, Laser Tag and The Giant Slide have been booked, with additional rides including The Ball Crawl and Dodgem Cars available if we pre-sell 320 'Ride-All-Day' armbands. Ride-All-Day armbands will be sold early in Term 4. For the older students, Water Balls and a Photo Booth have been booked and will no doubt prove to be extremely popular.
- A variety of Show Bags will also be on sale on the day of the Festival, with every student and adult's interest catered for! Everyone will also have the opportunity to visit the huge range of stalls we have, including Trash'n'Treasure, Second-Hand Books, Pre-Loved Kids Clothing & Toys, Cakes & Sweets, Art'n'Craft, Sideshow Alley and many, many more!!!

*You're invited.*

**Festival hits Banyo**

Earnshaw State College is celebrating  
10 years of excellence in Banyo.  
Est in 2003, Earnshaw is a Prep-12  
college serving our local community.

Please join us for a community  
inspired day of family fun

Rides - Food - Entertainment - Fireworks - Exhibitions - Music  
Games - Market Stalls - Art & Craft - Raffles - and much more

**Saturday Oct 26th 1-7pm**

**Earnshaw State College**  
Prepare today for tomorrow

**Cnr Earnshaw and Tufnell Roads, Banyo**

- Entertainment aplenty will be found at the Earnshaw Festival with special performances from the College Band and Choirs as well as performances from local cheerleading, dance, jujitsu and gymnastic groups. Local football, softball and hockey groups will also have stalls at the Earnshaw Festival and will have activities set up for your enjoyment.
- For all of those car enthusiasts, the Mazda Car Group will be displaying some of their prized vehicles at the Earnshaw Festival. A diverse range of scrumptious food will also be on sale throughout the day.
- To conclude the Festival, a dazzling display of fireworks has been arranged, with special thanks to Councillor Kim Flesser, Member for the Northgate Ward, for his generous financial contribution.

How can you help? We need your help in the following ways:

1. Promote the Earnshaw Festival with your friends and family. The more people who attend this event, the more money that will be raised, which will go towards the students of Earnshaw.

2. We require the following items to be donated:

- Bags of Wrapped Lollies (Minties, Smarties, Fizzers etc.)
- Delicious Chocolates (any size eg: fun size, blocks)

- Bottles of Soft Drink (all flavours, 1.25L)
- Ingredients (flour, sugar, icing sugar, cocoa, coconut, jelly crystals & butter)
- Lucky Dip Prizes (\$2 Novelty items)
- Old Books (magazines, comics, novels etc)
- Cans of Drink (soft drink, water, poppers)
- Clean Glass Bottles (filled or unfilled with goodies)
- Pre-Loved Children's Clothing and Toys (shirts, shorts, play toys, etc)
- Plants and Seeds (small plants or pots for Plant Stall)
- Trash and Treasure (second-hand goods, clear the clutter)

All items can be brought to the Junior or Senior School offices. Your support would be greatly appreciated.

Kind regards

*The Festival Committee*

## Active After School Sport

---

The Term 3 Active After School program starts on Monday 22nd July for Years 4 to 6 Soccer, and Wednesday 24th July for Years 1 to 3 Rugby League. Please return your forms to the Junior School office as soon as possible.

Thanks

*Kerrie Lovell*

Active After School Coordinator

## Music Showcase Getting Close!

---

Earnshaw State College invites you to:

# Music Showcase!

## Featuring:

\* College Choirs, Concert Band,  
Wind Ensemble, Beginner Musicians,  
Small Ensembles & more!

**THURSDAY 1st AUGUST 2013**  
**McKittrick Performing Arts Centre**

**6:00pm to 7:30pm**

**Entry by gold coin donation**

Australian Brain Bee Challenge

The Australian Brain Bee Challenge (ABBC) is the country's only neuroscience competition for high school students. The competition is designed to test year 10 school students' knowledge about a range of topics, including intelligence, memory, emotions, sleep, Alzheimer's disease and stroke.

This year, Emily Lovell in year 10 outwitted and outsmarted 1000 teenagers from 60 Queensland schools in a multiple-choice neuroscience quiz to make the top 140 and secure a place in the state finals.

Emily travelled to the Queensland Brain Institute (QBI) at The University of Queensland (UQ) on June 18<sup>th</sup> 2013 for the state finals, where she took part in a neuroscience quiz to test her knowledge of the brain and how it works. ABBC state finalists were also given an exclusive tour of the world-class facilities at QBI and met with renowned scientific researchers at the Institute.

Congratulations must be given to Emily for not only representing Earnshaw at this event but for also winning an award (and iPad prize) for the Indigenous student with the highest Round 1 and Round 2 score. Well done Emily!

*Scott Boddice*

Science Teacher

## Global Enterprise Challenge

---

Students in Earnshaw's Global Enterprise Challenge (GEC) team participated in the new 12-hour challenge format on Saturday 15 June 2013. With competition from many more teams, including business and technology schools of excellence, they were unfortunately unable to repeat their success of previous years.

The standard of their entry was certainly comparable to those which saw previous Earnshaw teams take out Australian and International titles in the past three years. Their written report was the most in-depth written by any Earnshaw team and their video response continued to utilise the green screen technology which has 'wowed' judges in the past.

The 2013 challenge required students to prepare a two-page written report, three-minute video presentation and PowerPoint slides in response to the task "to develop a business proposal to increase tourism visitation and income for a national, regional, or local tourist attraction, which you will present to a panel of venture funders. These investors are particularly interested in business ideas where you need to apply science and technology to manage the environmental issues. You will need to balance the revenue needed to sustain profitability, against the cost of preserving and improving the attraction's environment for future generations of tourists."

Their proposal was centred around Moreton Island and included 'MINTA', a regulatory authority established to ensure that the Queensland Government's environmental laws and regulations are being observed and maintained and 'Skypod', a water wave-powered sky-rail which allows tourists to see the best of Moreton Island by stopping at the most popular attractions on the island.

Congratulations to all team members, especially Year 12 students Jaime Lines and Bridget Greathead, who were competing in their last GEC/ABW activity. Both girls have made an outstanding contribution to these extra-curricular activities, including development of templates, new processes and mentoring of younger team members. Additional mention of Avalon Hutchinson from Year 12 who has also competed in previous GEC/ABW teams.

Personal thanks to Shannon Kelly for giving up Saturdays to provide catering for the GEC trial, practice and challenge. Thanks also to my fellow mentors, James Manning and Bob Steele, as well as staff members Scott Saxby, Jennie Harvey, Louise Werner, Denise Barber, Kirsten Tuckett, Lorraine Herne, Kevin Campbell, Sally Dexter, Richard Tweney and Katrina Larsen who provided feedback, time, resources and/or support to assist the team and the organisation of the challenge at Earnshaw.

The 2013 GEC team was: Year 12: Jaime Lines, Bridget Greathead, Year 11: Tiana Lines, Emma-Louise Clinton, Jesse Turnbull, Year 10: Emily Lovell, Breanna Noye, Tahlia Welch, Year 9: Madison Ryan, Kanya Haines. Mentors: Colleen Hills, James Manning, Bob Steele.

Submissions from all teams in the challenge, including Earnshaw, can be viewed at <http://www.globalenterprisechallenge.com>.

### *Colleen Hills*

GEC Mentor

## RSL Post Card to the Troups Competition

---

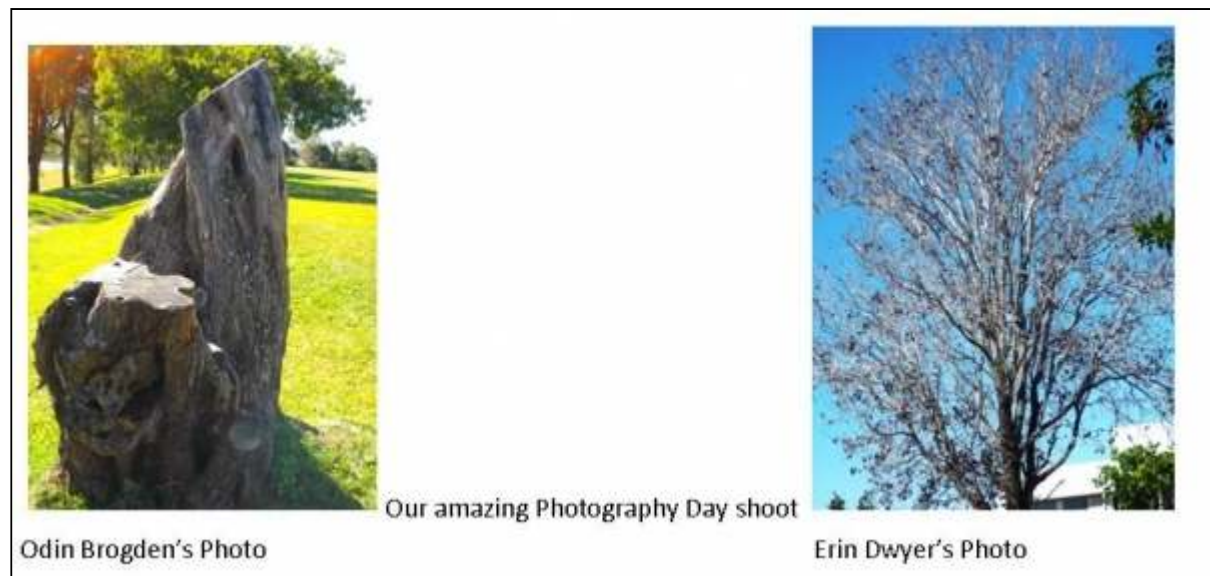

Selected entries to the competition recently organised by Banyo RSL are currently on display in the Banyo Library. Representatives from the RSL will be at the Junior School assembly on Thursday 25th July to present the winning entries with a prize.

## Helping Hands Outside School Hours Care

---

Hi Everyone,

Hope your holidays were action packed and fun filled! We got to experience some exciting activities with a journey to the theatre to see *Sleeping Beauty and the Beast* by the Brisbane Arts Theatre, which was the stand out of the holidays. We also got to tie dye, kite make and fly, movie watch, Disney-fy ourselves, and Board Game away. We are currently planning our September holidays and it looks like it could beat June/July! Whispers around are that we will be attending the planetarium and exploring the botanical gardens at Mt Coot-tha and going to play some bare foot bowls with the lovely members of Banyo Bowls Club! If this sounds like fun, keep your eyes peeled - there are more announcements to come.

Our extended learning programs are back, and we are very excited to announce that the Brisbane Roar are running a soccer intensive program for five weeks. Therefore to learn how the champions play, please ensure your spot by quickly enrolling your child. Forms were sent home in the last week of term 2, so please ask your child if they have received theirs. If you are interested, you can also drop by our room to pick one up. There are limited spaces available and bookings close Tuesday 30<sup>th</sup> July, so you will need to get in quick. The program starts on Tuesday 6<sup>th</sup> August from 3:30pm for Prep to Year 3 and 4:30pm for Years 4 to 7, so we hope to see you there!

If you would like to join us, our term time enrolments places are filling fast. If you require care on Monday, Wednesday or Thursday please contact the centre first to check availability as these days are close to capacity for the centre. If you need an enrolment package you can find these at the Junior School Office or at the Centre at the bottom of M Block, closest to the toilets. If you have any enquiries or need a quote please contact Erin on 0448 371 401 or [earnshaw@helpinghandsnetwork.com.au](mailto:earnshaw@helpinghandsnetwork.com.au)

We look forward to another busy term and seeing you all around the school and just remember the world is grey when you forget to play!

### *Erin and the Helping Hands Gang!*

## Junior School Rewards Day

---

On Thursday 20th June, the eligible students from years four, five and six caught the train to South Brisbane for our Rewards Day Excursion. When we arrived at South Brisbane we sat down and had our lunch. We then walked along the river and explored some of Southbank, including the Nepalese Pagoda and the Rainforest Walk. From there we continued on to the Southbank Cinemas where we enjoyed our water and popcorn while watching Despicable Me 2. After the movie we caught the train home to Banyo and made it back to school just in time to hear the three o'clock bell ring. All students had a wonderful day and their behaviour, as expected, was outstanding.

## Closing the Gap Aboriginal Committee

---

Meetings will be held in the Staff Common Room at 9:00am on the following dates:

- 12 August
- 9 September
- 14 October
- 11 November
- 9 December

You can e-mail me at [colleensam@aanet.com.au](mailto:colleensam@aanet.com.au) with your feedback if you are unable to attend meetings.

*Colleen Paton*

Coordinator

## Munch Monitor ~ Order Tuckshop Online!

### SAVE TIME with our ONLINE CANTEEN!

**Order from our canteen ONLINE!**

- ✓ place **lunch orders online** up to 4 weeks in advance
- ✓ allow your child a **pre-paid card** to purchase from your online account
- ✓ **top-up your account online** using VISA/MasterCard (or with cash at the canteen)
- ✓ online account **statements**
- ✓ **list allergies** to alert canteen staff during account sales

**How do I set up an online account?**

**It's quick & easy!**

- go to [www.munchmonitor.com](http://www.munchmonitor.com)
- enter Username: **earnshaw** and Password: **munch4014**
- click **Sign up**

Follow the easy steps to create your account:

- 1  Create a **Parent Profile**
- 2  Add your **Students** to your account
- 3  Click on **Account Top-up** to transfer money into your account. You'll be directed to ANZ's secure eGate website.
- 4  You're ready to use **your online account!**

Thousands of parents are enjoying the convenience of MunchMonitor every day. Here's what some have to say:

*"I think this has to be one of the greatest things to be introduced to the school.... so thank-you!"*

*"It's simple & convenient"*

*"I like knowing my teenage son has options that will mean he is eating enough during the day"*

*"Absolutely love the fact that you don't have to give them money to take to school"*

*"I don't have to worry about forgetting to give them money"*

**What does it cost?**

MunchMonitor costs just \$2.50 (that's less than a cup of coffee) per Family Account per school Term!

**Need more information?**

Send an email to [help@munchmonitor.com](mailto:help@munchmonitor.com)

*Shannon Kelly*

Tuckshop Convenor

## Bookshop News - Stationery, Bookpacks and Secondhand Uniforms!

---

The Bookshop has most of your school stationery needs,  
and is located under D Block.

Phone: 36217326

### Opening Hours

The Bookshop is open on Tuesday, Wednesday and Thursday mornings from 8:30 to 9:30am.

### Secondhand Uniforms

Secondhand uniforms are now sold on consignment from the Bookshop. If you have uniforms for sale, please bring them to the bookshop, carefully laundered and with a reasonable price attached (as a guide, what would you pay for that item?). We will add a small mark-up. A cheque will be posted to you at the end of each term for the cost of items sold. All uniform items in good used condition are welcome, but we particularly need Junior School clothing in sizes 4 to 6.

Thank you for supporting the Earnshaw State College P&C by purchasing your students' stationery needs from our bookshop.

*Nancy Thompson*

Volunteer Convenor

### Dates for 2013 Earnshaw Edge

---

The Earnshaw Edge is usually published on the first and third Thursdays of each month. However, these times will vary, according to how they fit into the school term. Please check the schedule below, which outlines the intended Earnshaw Edge dates for the remainder of the year.

<b>Term</b>	<b>Publishing date (Thursday)</b>	<b>Article due date (Monday)</b>
3	18 July	15 July
	1 August	29 July
	15 August	12 August
	29 August	26 August
	12 September	9 September
4	17 October	14 October
	31 October	28 October
	14 November	11 November
	5 December	2 December

## Community Notices

---

The 32<sup>nd</sup> annual Tertiary Studies Expo (TSXPO) is the most comprehensive and longest running event of its kind in Australia. Students from years 10, 11 and 12 are invited to meet one-on-one and discuss their study, career and employment options with representatives from around 110 exhibitors including:

- Universities from around Australia and Overseas
- Representatives from ALL faculties from Griffith, QUT and UQ
- Private Education Providers
- TAFE Institutes
- Defence & Police Forces
- Government Agencies
- Employment opportunities
- Student Services and more!

**What can you expect?**

- Scholarship, financial and bursary information available.
- The chance to win a \$2,000 bursary
- Information on study and career options
- Exhibitor seminar sessions
- Post graduate course info
- Chance to win one of two iPads!

**Where can you find more info?**

- Lift-out feature in the Courier-Mail. Visit [www.tsxpo.org](http://www.tsxpo.org) for info on-
- Participating Exhibitors
- iPad competition and bursary details
- Student Worksheet
- Seminar details & more

Scan this code with your smart phone for more event information

Be part of the expo and find out all the latest information on tertiary studies, scholarships and bursary details, financial support, career pathways and admission procedures. It's the expo you cannot afford to miss!

## Proposed 50 Year Reunion of the Grade 12 Class of 1963

There have been many changes over the last 50 years. 2013 will be the 50 year anniversary of the "sixth-formers" who did "senior" at Banyo State High School in 1963. (Actually they are all "seniors" now!)

A dinner function is to be planned for early December to celebrate this milestone on their "life journey". They held a 40 year Reunion a decade ago, but a fair bit changes even in 10 years.

Given their vintage, social media is not likely the best way for them to compile a contemporary list of classmate names and contact details. Hence they are seeking our help.

Mr Allan Krosch visited Earnshaw College on Friday 14 June, seeking a copy of the 1963 edition of the School Magazine "Warrondi" – in an endeavour to find a list of student names. However it did not include a list of all students.

If you were one of those classmates, or know of someone who was, could you please make arrangements for the names and contact details, (e-mail addresses preferably), to be sent to Allan. His contact details are:

e-mail [krosch@bigpond.net.au](mailto:krosch@bigpond.net.au)

Phone 3262 2473

Mobile 0407 020 052

## Tennis Grading Day

Greater Brisbane Junior Tennis (GBJT) conducts weekly Tennis Fixtures at the Queensland Tennis Centre, Tennyson and The University of Queensland, for children up to 18 years of age. Grading Day for new players is to be held on Sunday 21st July at the Queensland Tennis Centre, Tennyson from 3:00 to 5:00pm. Further information is available at [www.gbjt.org.au](http://www.gbjt.org.au) or by phoning Mrs Peta Davis on 3374 0516.

## FaB 4 Kids Free Parent Workshop

The **FaB 4 Kids** workshop is aimed at assisting parents to understand childhood anxiety and to explore approaches that can be used to help children cope with challenging life events or situations. The workshop will be conducted over **two sessions on Thursdays 15<sup>th</sup> and 22<sup>nd</sup> August between 9:30 and 11:30am at the Parent Education Centre, Laurel Street on the Enoggera State School campus.**

Please call the Centre on 33559202 for more information about the workshop or to enrol. There will be no cost, however numbers are limited. Materials and morning tea will be provided, Please make personal arrangements for child care. Enrolments close on Friday 8<sup>th</sup> August.

## Northside Wizards Basketball

- Term 3 programs now open
- Programs for children 4+ years

- Fun, active, social, and safe
- At an indoor venue near you

For more information please email Luc at

**AUSTRALIA'S #1 NON COMPETITIVE SOCCER PROGRAM**

[www.grasshoppersoccer.com.au](http://www.grasshoppersoccer.com.au)

*Ages 2-12*

About Grasshopper Soccer

Grasshopper Soccer is a fun-filled, non-competitive and child focused soccer group that has been operating throughout Australia since 1990. We offer soccer programs for boys and girls aged 2-12 years that are suitable for all skill levels. The soccer programs offered run for 8 weeks within the school term. The programs offered by Grasshopper Soccer provide your child the valuable opportunity to develop existing, and learn new skills, make new friends and enjoy lots of fun-based games.

**TERM 3 PROGRAM - 8 WEEKS**
