### From the College Principal's Desk

---

Dear Students, Staff, Parents and other members of our Earnshaw family,

It is with sadness that I write my last article for the Earnshaw Edge. I leave Earnshaw immensely proud to have been part of a wonderful school and community. To the staff and students, I am proud of what you have achieved this year, but more importantly, of what you'll continue to achieve in the future. Your achievements are not only a tribute to the things that you have done, determined as you have been to succeed. Underneath this is a tale of what, through learning you have become.

I encourage each of you to embrace our College Vision; "To excel in the art of teaching and the pursuit of learning with open hearts and open minds" as you go forward this year.

One of the most powerful things I have learned is that we have only one life to live. Recognise that life is what you get when you are born.....living is what you do with it.

Abraham Lincoln said, "Whatever you are, be a good one".

If you expect the best, you will be the best. Learn to use one of the most powerful laws in this world; change your mental habits to belief instead of disbelief. Learn to expect, not to doubt. When you do this you bring everything into the realm of possibility.

To the exiting year 12's, I encourage you to take the advice of Liza Minnelli who said "Dream on it. Let your mind take you to places you would like to go, and then think about it and plan it and celebrate the possibilities. And

don't listen to anyone who doesn't know how to dream." Above all I ask you to be brave. Explore the big world out there. Open your hearts and your minds to novel suggestions.

I look forward to celebrating your successes now and in the future.

Thank you, I will carry you in my heart for ever.

## Farewell to Kym Austin

It is with sadness that we also farewell one of our college chaplains, Kym Austin, at the end of the term. Kym has been an integral part of our college over many years. She has provided amazing support, not only to our students but also to staff and parents in times of need. On behalf of the college, I would like to wish Kym all the very best in the future.

## Social Networking

**Facebook, MySpace, Twitter, Tumblr, Pinterest or Instagram.**

These social networking sites are part of almost every kid's life and thanks to smartphones, gaming devices, tablets and laptops you can now communicate 24/7.

Social networking is a great learning and communication tool but, it's important that you do a few things to protect yourself: Think about the 5 P's of a positive digital footprint

- **Profiles** - Use a nickname and a profile picture that doesn't show your face.
- **Positive** – Make sure online information about you is as positive as possible.
- **Permission** – Make sure you have a grown-up's permission to use a new site or app.
- **Privacy** – Never share passwords or personal details.
- **Protect** – Keep evidence and do not bully back, tell someone. If you have any concerns about your social networking experience, please speak to your teacher or parent(s).

### Chat Rooms and Interactive Communities

The internet is an amazing place and most students probably use it for both school work and for fun.

While there are lots of good points about chatting online, there are also some dangers. You've probably heard stories about children (or you may even have a friend) who have gotten into trouble in chat rooms or interactive communities. Some of the people you meet online may not be who they say they are.

When enjoying internet chat rooms:

- Be careful who you trust online - especially if you don't know them personally
- Don't meet someone you have only been in touch with online
- Stay in charge of your conversation - keep your personal information secret
- Think before you answer private messages
- Use a nickname, not your real name or one that attracts the wrong type of attention
- Look out for your friends and do something if you think that they are at risk

- Log off and tell your parent, caregiver or teacher if someone or something makes you feel uncomfortable or worried
- Learn how to save a copy of the conversation in chat -- this may be useful if you want to report something.
- If you have any concerns about a chat room or interactive community, please speak to your teacher or parent(s).

Regards

Farewell

## *Farewell Kym*

It is with a heavy heart, and wonderful memories, that we say farewell to our beloved chaplain, Kym Austin. Kym has been a foundational component of the Earnshaw Community for 11 years, and her incredible work and dedication will be missed.

Kym started as a volunteer at Nudgee State School teaching R.E. and fell in love with the school and the students. Her husband Grant was already the Chaplain at Banyo High and when the two schools became P-12 Kym was able to take up a chaplaincy role, primarily in the Junior School.

Many, many students, staff and families have experienced the kindness, generosity and support that Kym so open-heartedly shares. She has worked closely with other support services in the college, and been the link for many families in accessing community services.

Each year, Kym has championed a number of programs in the Junior School, including lunchtime dancing, and in years gone by, Breakfast Club. Two of the most memorable for students have been the Fun Friends and Sparkle Program.

Over many years, Kym built the Sparkle program, run for Year 5 girls, into a program that our students eagerly await. Kym developed the program to support our girls in making healthy and positive choices. She worked alongside them to support their development of self-care skills, goal-setting and character traits such kindness,

respectful patience and tolerance of others who are different to us. She even provided an opportunity for them to learn table etiquette and participate in a High Tea!

Kym is never without a smile or an encouraging word. Everyone who has met or worked with Kym speaks highly of her, as this quote from a staff member demonstrates: *"Kym has been a wonderful support to both staff and students. Staff are buoyed by the understanding and empathy given. Student self-esteem soars when working with Kym, whether it's at the lunchtime disco, being loaned a ball or jumper, or chatting one-to-one. The school environment is safer, happier and enriched by having Kym"*.

Kym is leaving for another role, where her nurturing and supportive skills will be used. Kym has worked tirelessly to set up, and coordinate, Mimi's House. Mimi's House is a mentoring and nurturing program aimed at children from Prep to Grade 5. The program uses a child centred approach to empower and equip children to manage their emotions and overcome the challenges they may face at school and in their personal lives.

<http://www.hopecentreservices.org/mimis-house/>

The college community, staff, students and families wish Kym all the best for her new endeavours. Kym, you will be sadly missed, but remain precious in our hearts. There is no *Thank You* huge enough to cover what you have given to our college and community.

## Junior Jottings

---

As Term Three nears its end, I'd like to wish all the Junior School families a safe and enjoyable school holiday. School holidays allow students, parents and staff to take some time away from school and 'recharge the batteries'. If you are travelling long distances, please be safe and drive carefully.

I'll be taking next week off as part of my long service leave. Mrs McCann will be acting Head of School while Miss Witherspoon will be acting Head of Department. Mrs Grace Clifton will be teaching Year 2/3A. I look forward to catching up with everyone at the beginning of Term 4. Please note that first day of Term 4 is **Tuesday 8<sup>th</sup> October**.

## Swimming Program – Term 4

Term 4 signals the recommencement of Earnshaw State College's Swimming Program. Earnshaw students are privileged to have a swimming pool within the college grounds. The swimming program is designed to build

awareness of dangers in aquatic environments and to develop students' swimming ability, along with lifesaving skills used in both prevention and rescue. All Junior School students must pay the Term 4 **Swimming Levy (\$25)** to ensure they are permitted to participate in the quality swimming program.

Swimming lessons will be held over an 8-week swimming program conducted by accredited swimming instructors, Qualified Aquatics, and supported by our HPE teacher. More information will be issued at a later date.

## Prep Enrolments 2014 & Prep Transition Days

Earnshaw State College is accepting enrolments of children who were born between **1<sup>st</sup> July 2008 and 30<sup>th</sup> June 2009** to begin **Prep in 2014**. A copy of a birth certificate is required to be sighted and photocopied prior to enrolment.

Parents wishing to enrol their child in Prep 2014 at Earnshaw State College are encouraged to contact the college on 3621 7440 to collect the enrolment package and to book an enrolment interview with the Head of School. Alternatively the enrolment form can be downloaded from our website at [www.earnshawsc.eq.edu.au](http://www.earnshawsc.eq.edu.au).

We will be holding two **Pre-Prep Transition Days** during Term 4. They will be held on **Wednesday 6<sup>th</sup> and 13<sup>th</sup> November**. All school families that have registered their student's enrolment for Prep 2014 will receive an invitation.

If you have any queries, please don't hesitate to contact me via the Junior School Office on 3621 7440 or via email [hjs@earnshawsc.eq.edu.au](mailto:hjs@earnshawsc.eq.edu.au). I am available by appointment and/or email to discuss a matter relating to the Junior School operations and/or your student's education.

Warm regards

## “Readers are Leaders”

	<p><b>P-6 Literacy, Numeracy &amp; Book Week Celebrations</b></p> <p>On Thursday 22<sup>nd</sup> August we celebrated Literacy and Numeracy Week alongside Book Week. Students from Prep – Year 6 took the opportunity to celebrate their opportunity to be literate and numerate and enjoyed dressing up as a favourite book character.</p> <p>This year, we also took time to recognise and support the literacy of those less fortunate by participating in <b>“The Great Book Swap”</b>.</p>	 <p>Did you know that one in five children living in a remote Indigenous community cannot read or write to the basic minimum level?</p>
	<p>Students brought in a book that they love but could bear to part with and donated it to the swap. In exchange for a gold coin, they selected a new book to take home and enjoy. Through participation we raised \$196.30 for the <i>Indigenous Literacy Foundation</i> to provide books and literacy resources to kids in remote communities.</p> <p>Kind regards <i>Mrs McCann</i> Head of Department</p>	<p>Did you know that less than 36% of people living in a remote community have access to a library and books?</p> <p>Did you know that in the remotest communities there are little to no books in homes?</p>

### What’s Happened In 5B This Term?

This term has been an exceptionally busy term in 5B. We commenced the term exploring the world of Poetry, focusing on how poets convey a particular message to the reader. We wrote our own poems by following a set structure and using our own ideas. In Science, we investigated the concept of Light. As part of our studies, we explored how light travels to our eye and how we see

different colours. We also investigated how light reflects off some objects, is absorbed by other objects and is refracted if moving through certain objects and liquids. To conclude our unit, we had a visit from Dr Joe who conducted a range of experiments about light.

Over the past few weeks, we have been exploring the Gold Rush, particularly focusing on the Eureka Stockade and how this event in Australia’s history changed Australia forever. Amongst all of this hard work, we have found the time to relax and dress up for Book Week. Some of our costumes were unbelievable!

We’re all eagerly looking forward to a break over the school holidays before starting afresh next term.

## Junior School ICAS Competition Results

Each year, students in Year 3-6 are invited to participate in the ICAS Spelling and English competitions. These competitions test a student's ability to spell as well as decode and comprehend a variety of different texts. This year, Earnshaw's results were very pleasing.

	Spelling	English
High Distinction	Joshua Herbert (Year 5) John Gorospe (Year 5)	
Distinction	Thomas Darben (Year 5) Charlene Dewar (Year 5) Jack Wilson (Year 5)	Thomas Darben (Year 5)
Credit	Mackenzie Thomson-Spring (Year 5) Amitoj Singh (Year 3) Brendan Taylor (Year 3)	Jemimah Iyam Perumal (Year 3) Charlene Dewar (Year 5)

ICAS Mathematics results should be received shortly.

## Daffodil Day 2013 - THANK YOU!

On behalf of the Student Council we would just like to say thank you to everyone who donated money or bought a ribbon for daffodil day. This year we raised a whopping \$221.00 for cancer. Also thank you to the iCafe for your donations, as they were much appreciated. All this money has been donated to the Cancer Council, allowing them to do more research to find a cure for cancer.

## Earnshaw Festival Update

### Donations

We're less than 2 months away until the Earnshaw Festival. Thank you, thank you, thank you to all of the teachers, parents and students who have continued to support the College Festival by making a weekly donation. Your assistance in this way means that very little will need to be purchased for the Festival and the

majority of the money raised will be profit, which will go straight back to purchasing resources for the students of Earnshaw.

So far, we've collected:

- over 300 bags of lollies
- over 650 bags and bars of chocolate
- over 350 bottles of soft drinks
- over 1,000 cans of soft drink, bottles of water and poppers
- over 3,000 second-hand books
- over 1,500 small prizes to be won at novelty event stall

For the remaining weeks of the donation process, we are after clean glass bottles (preferably filled with goodies), pre-loved kids clothes and toys (no adult clothing please), cooking ingredients (eggs, butter etc), plants and pots and trash n treasure. Your continued support is greatly appreciated.

## Have You Checked Out Our Facebook Page?

The Earnshaw State College Festival page is up and running. On a regular basis, it is updated with information about the Festival, including links to outside businesses who are attending our Festival. If

you haven't done so yet, please like our Facebook page and share it with your family and friends.

## Ride-All-Day Wristbands

Ride-All-Day wristbands are on sale from **Tuesday, 22<sup>nd</sup> October**. They can be purchased for \$25 from the **BOOKSHOP**, not the Uniform Shop. We are encouraging all parents to purchase their ride wristbands **before** the day of the Festival because we will get additional rides if we pre-sell over 320 wristbands.

## Our Sponsors

On behalf of the Earnshaw community, we'd like to thank our sponsors for their generosity. We have literally hundreds of prizes, hampers and vouchers for people to win at our Multi-Draw Raffle.

## Thank you to Our Festival Sponsors

## Helping Hands Vacation Care - Register Now!

---

Hi Everyone,

I hope everyone's term has been going smoothly! We have been having lots of fun at Helping Hands Earnshaw and also have been very productive within our centre. We have established our garden and reuse and upcycle programs as part of our sustainability program. We have endeavoured to make the most of our resources out of recyclable products or repurposing different equipment or items. We now have some very cute denim dolls made of old denim jeans, an oven out of a cardboard box and an awesome new car and cityscape. We look forward to continuing with our new sustainability programs in the forthcoming terms.

With holidays fast approaching we have our awesome Vacation Care program confirmed! We are offering lots of fantastic activities to entertain all children during these holidays, we have an outing to the planetarium and Mt Coot-tha gardens, crazy candle workshops, sand wizard workshop and pizza making workshop where you get to make pizza from scratch for our afternoon tea and then you get to make another for dinner to have that night! We are also offering a PJ slumber party day, Roald Dahl day and Dr Seuss day, just to name a few. Vacation Care is always a great time for us as a centre as it allows us to fit in some of the many cool activities that we would like to do during term time but run out time, so be sure to click on the link to check out our program or drop into either the centre or junior school office to pick up a paper copy.

When we return next term we will be offering our external learning program once more. We can confirm that our centre will be offering crazy cartooning workshops for five weeks. This will involve children learning different drawing and cartooning skills and creating their own characters. At the end of the five weeks they will have a

portfolio of their work to take home. So if your child is interested in drawing and cartooning, be sure to keep your eyes peeled for our brochures next term.

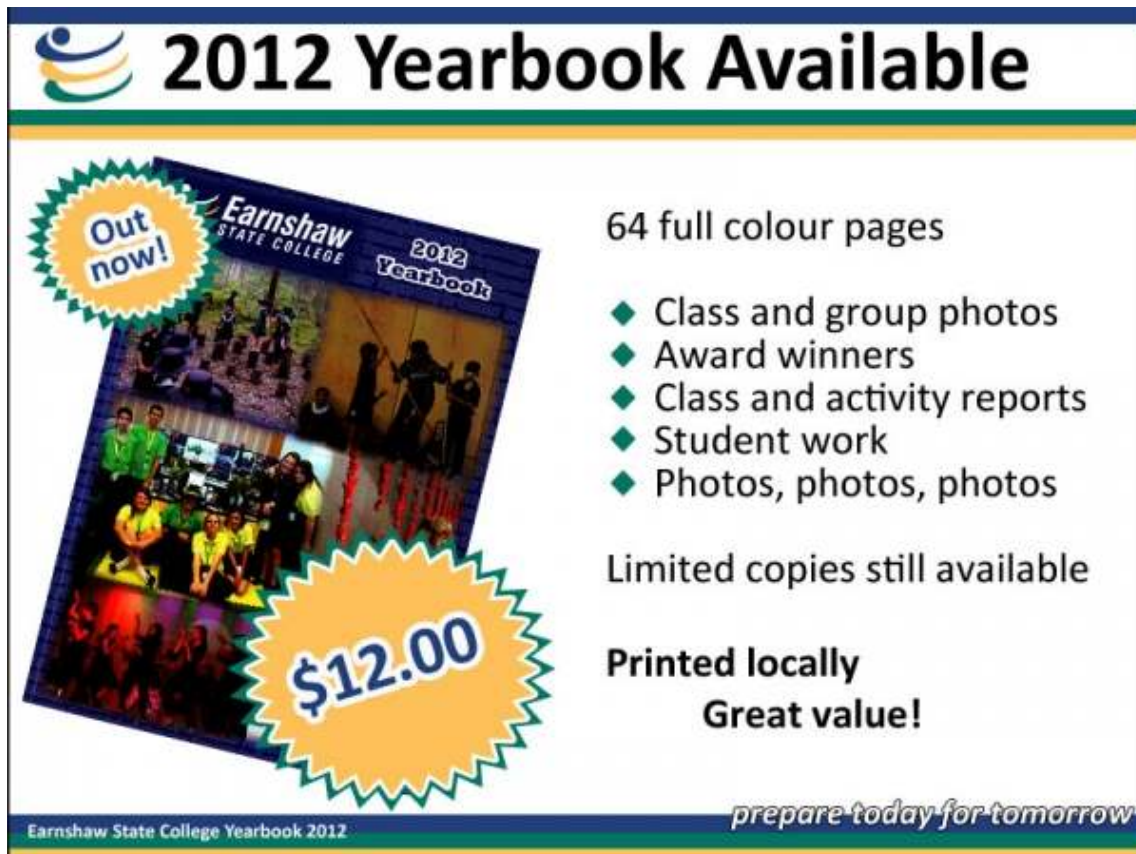

So if you would like to join us, our term time enrolment places are filling fast, especially if you require After School Care on any of our operation days. Please contact the centre first to check availability. If you need an enrolment package you can find these at the Junior School Office or at the Centre at the bottom of M Block, closest to the toilets. If you have any enquiries or need a quote please contact Erin on 0448 371 401 or [earnshaw@helpinghandsnetwork.com.au](mailto:earnshaw@helpinghandsnetwork.com.au)

We look forward to everyone joining us for Vacation Care and if we don't see you, have a great holiday! [Click here](#) to access the program and enrolment form.
