Every Student Achieving Success

Starting  
**YEAR 7**  
in 2021

# Welcome to Year 7 in 2021

**Students in Junior Secondary commence their secondary schooling in a future-focused environment that prioritises academic excellence and rigorous, curriculum-aligned learning.**

- Explicit teaching that develops critical thinking and analytical reasoning
- Structured opportunities to strengthen problem-solving and decision-making skills
- High expectations for academic achievement across all learning areas
- Purposeful engagement with a challenging and relevant curriculum
- Consistent focus on building strong foundations for senior secondary success

## Successful Transitions

We understand the unique developmental needs of early adolescents and support successful transition from primary to secondary schooling through a focus on three key areas:

- Connection and belonging
- Student voice and agency
- Effective, innovative teaching

## Teaching & Learning

Aligned to the Australian Curriculum with high-quality, differentiated and innovative teaching.

## Engaging Curriculum

Real-world learning, STEM inquiry projects and electives building critical thinking and independence.

## Beyond the Classroom Opportunities

Music, sport, STEM, leadership programs and extra-curricular activities for all students.

## Wellbeing & Future

Strong pastoral care, wellbeing support and leadership pathways preparing students for the future.

## International Program

Our international program provides an opportunity for our students to participate in a range of cultural opportunities.

## Curriculum Diversity

Students have access to a wide range of programs that enhance engagement and develop and extend individual interests and talents.

## Sport

A comprehensive Physical Education program, including cross-country, swimming and athletics, with opportunities to participate in regional, state and national competitions. Students can also join our Baseball and Softball Academy (BASE).

## The Arts

Opportunities to develop creativity through our Arts program, supported by our Instrumental Music Program strings ensemble and band.

## Languages

Study of Japanese or Spanish as a Language other than English.

## Technology

Access to modern, specialised facilities that support engaging and future focused learning.
