

Our Primary School

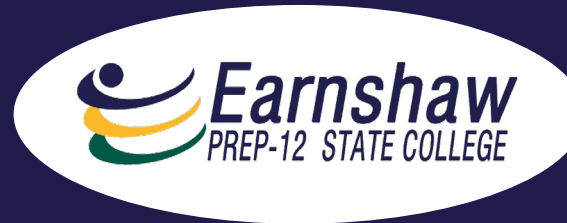

At Earnshaw State College, our focused delivery of the Australian Curriculum, combined with high-quality teaching in every classroom, ensures every student has the opportunity to thrive. Through our Positive Culture for Learning framework, we foster calm, purposeful learning environments where students feel engaged, supported and motivated to achieve their best.

We value strong partnerships with families and the wider community, empowering every child to succeed in a setting that nurtures confidence and a genuine sense of belonging.

Our unique college features purpose-built learning spaces, a specialised prep facility and a dedicated primary campus, along with access to a wide range of facilities and resources that enrich learning and support student achievement.
