**Student will be expected to participate in all learning sessions each day.** The first and second sessions are focused on Core subjects. The third and fourth sessions are focused on integrated or elective studies.

**Core Sessions:** The first 30 minutes of each session will be delivered by a subject specific teacher through ELO online collaborator. In the second 30 minutes, students will have the opportunity to engage specifically with their class teacher via email. Attendance will be recorded in these sessions as students enter the ELO online collaborator platform.

**Elective Sessions:** Students will have the opportunity to access learning materials through subject specific ELO pages and to engage specifically with their class teacher via email.
