

Earnshaw State College – Learning at Home

Logging into ELO (Elearn)
(for **Windows/Mac**)

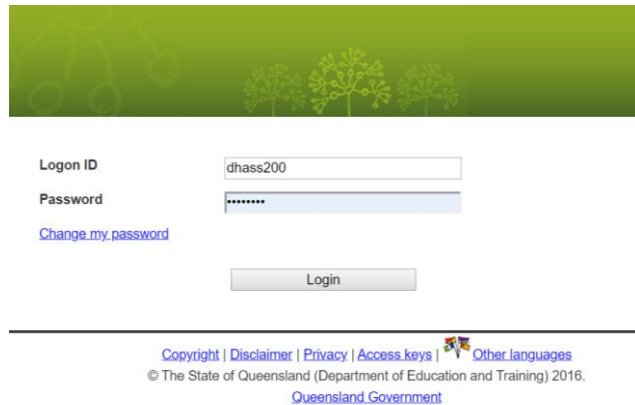

This guide will step you through the process of logging into ELO (Elearn)

Important Note: This platform requires the **Chrome** web browser (or safari for Mac users) to function.

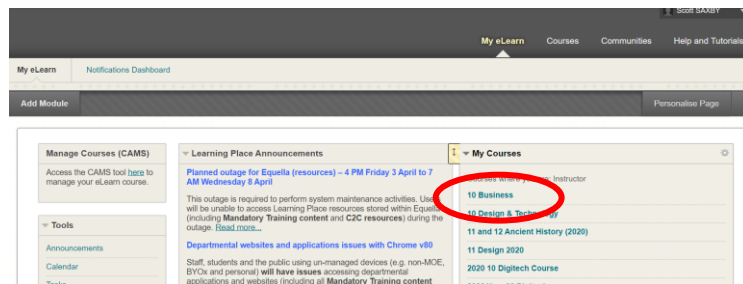

1. In your web browser, enter the URL (web address)
<http://elearn.eq.edu.au>
(note: there is no www)

2. When prompted to enter the student's username and password, please do so. If your child does not know/remember their username or password, please email:
learningathome@earnshawsc.eq.edu.au

3. Choose the relevant course from the *My Courses* list.

If you require further support please email learningathome@earnshawsc.eq.edu.au
