Dear Earnshaw Community,

As College Principal of Earnshaw P-12 State College, I welcome you to our School. Earnshaw is an Independent Public School for boys and girls from Prep to Year 12. At Earnshaw, we are educating for life-long success. We understand that this requires a well-rounded education to develop the whole person. Our careful balance of academic, sporting, musical and cultural programs ensures students develop the skills and attitudes to be successful in the 21st century.

From gender classes, university links, vocational pathways, transition to work programs, we provide an education that provides the best opportunities for every student. Our experienced and dedicated staff nurture and challenge students to perform to the best of their ability. A wide range of academic and vocational subjects meet the diverse needs of students, preparing them for their various roles in the world beyond school.

The key to a world-class education is innovative and passionate teachers and a true understanding of how students learn best. Our teachers are leaders who set high standards and expect the best of every student. They sustain a vibrant and happy school by creating a positive, enjoyable and respectful classroom environment. They know their students, challenge and encourage them to take responsibility for their own learning. This builds diligence, integrity, confidence and empathy. We have exemplary educators bringing a wealth of experience into the classroom. At Earnshaw P-12 State College our students learn from the very best.

On behalf of Earnshaw State College I would like to thank you for your interest in our school and we look forward to welcoming you into our community.

Mr Dave Bosworth
