Under the agreement for 2015
Earnshaw State College will receive $263,514*

*Estimated on 2014 data. Actual funding will be determined after 2015 enrolment data is finalised.

This funding will be used to

- Achieve the National Minimum Standard for literacy and numeracy for every child or
- Have an evidenced-based plan, developed by the school, in place to address their specific learning needs
- Develop a strategy and plan around intervention for Pre Prep students for enrolment in 2016
- Implement intervention, coaching, support for P-6 students
- Provide quality Professional Development in Literacy and Numeracy

Our strategy will be to

- Through the leadership and direction of the “TLC (the Learning Centre)” a focus on improvement in Literacy and Numeracy will be implemented across the school to assess students’ current performance and needs.
- The data is used to shape the response of the team to provide support across the school to specifically improve student outcomes. The data strategy is focused on a narrow and sharp area of improvement.
- Provide significant intervention programs into Year 4-6
- Provide significant coaching and professional development to develop teacher capability in improving literacy standards for students.

Our school will improve student outcomes by

- The delivery of explicit reading programs in Years 4-6, P-3. $92,000
- Employing an “Early Years Support Coordinator” in Years P-3 $50,000
- Delivering and accessing quality, research-based Professional Development $30,000
- The provision of resources that align to the delivery of the explicit teaching of reading $30,000
- The delivery and support of explicit literacy and numeracy programs in junior secondary $48,000
- The support of flexible staffing to intervene on a needs basis $13,514
